

Winter Train,
Winter train,
What Do
You See?

Winter Train,
Winter train,
What Do You See?
I see sleepy children
riding with me.

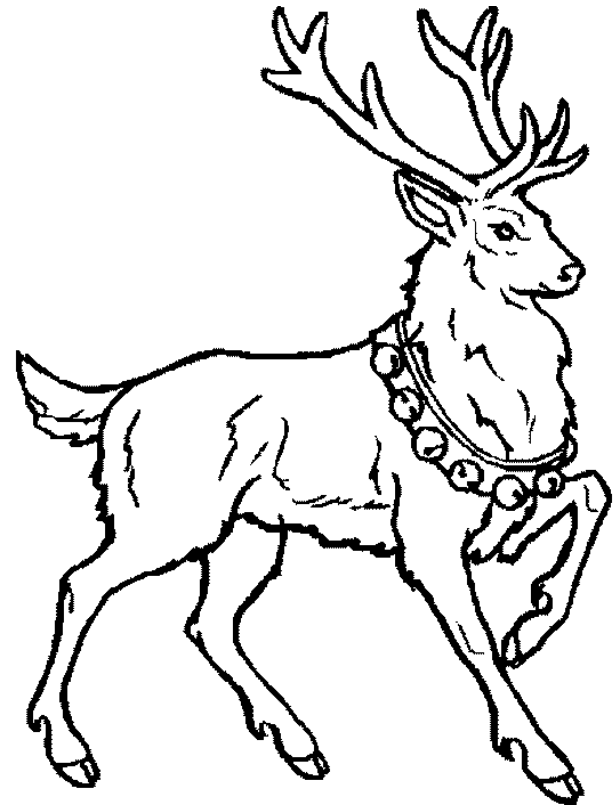

Winter Train,
Winter Train,
What shall I bring?
Bring your love of
Christmas
And a little bell will ring!

Winter Train,
Winter Train,
Where will we go?
We'll go to a place
All covered with snow!

Winter Train,
Winter Train,
What can we do?
Please have some
hot cocoa
That's made just for you!

Winter Train,
Winter Train,
Are we almost there?
Yes, we'll be there soon,
Is that reindeer I hear?
