

OUR WORDS ARE LIKE TOOTHPASTE!

Today we emptied a travel sized toothpaste into a bowl.

Circle your answer to these questions about the experiment.

1.) It was _____ to get the toothpaste out of the tube.

(easy hard)

2.) It was _____ to try and put the toothpaste back in the tube.

(easy hard)

Place hurtful words or sentences into the circles.

Four empty ovals are arranged around a central illustration of a tube of toothpaste being squeezed into a bowl. Lines connect each oval to the tube, indicating where to place hurtful words or sentences.

Describe how our words are like toothpaste.
