

# OUR WORDS ARE LIKE TOOTHPASTE!

**Today we emptied a travel sized toothpaste into a bowl.**

*Circle your answer to these questions about the experiment.*

1.) It was \_\_\_\_\_ to get the toothpaste out of the tube.

(easy    hard)

2.) It was \_\_\_\_\_ to try and put the toothpaste back in the tube.

(easy    hard)

**Place hurtful words or sentences into the circles.**

Four empty ovals are arranged around a central illustration of a tube of toothpaste being squeezed into a small bowl. Lines connect each oval to the tube, indicating where to place hurtful words or sentences.

**Describe how our words are like toothpaste.**
