Today we emptied a travel sized toothpaste into a bowl.

Circle your answer to these questions about the experiment.

1.) It was ____________ to get the toothpaste out of the tube.
   (easy       hard)

2.) It was ____________ to try and put the toothpaste back in the tube.
   (easy       hard)

Place hurtful words or sentences into the circles.

Describe how our words are like toothpaste.
