

It's that time of year when "me time" can't be found.  
The kids are full of energy and chaos is all around!

From Teacher to Teacher:  
Let's hide and have a drink!  
Crack open a bottle and forget about  
the dishes in the sink!

A little escape is my treat for you...  
Don't worry this much won't keep you from standing!  
Instead you will feel refreshed and ready to go back to  
your life so full; yet, demanding!

A Friend like you makes my life so fine!  
Merry Christmas and enjoy this glass of wine!

Merry Christmas - Colleen
