

Go For The Olympic Reading Goal!

Name: _____

Dear boys and girls,

It is time to set your Olympic Reading Goal! The athletes are working hard to bring back a gold medal in their sport. Let's support the athletes and work towards a reading goal. This month color one Olympic symbol each time you read at home for 15 minutes. You can read from any book you would like. You may also read with an adult. Remember to bring this back to school when it is finished for an Olympic reading medal.

Two books I read at home this month were titled:

On the back, draw a picture of yourself getting a gold medal!

Parent's Signature: _____

This is to verify that my child has read at home this month.
