

MERRY CHRISTMAS

On Christmas Eve sprinkle Magic Reindeer

Food on your lawn before you head
to bed. The Christmas Sugar will
sparkle when the moonlight hits it.

The shine will help Santa find your house
before the sun comes up. The smell of fresh
oats will attract the hungry bellies of the
Reindeer. No need to worry, follow this
recipe and when you wake up Santa will
have paid a visit and his reindeer will

remember you forever!

Sprinkle on the lawn at night
The moon will make it sparkle bright
As Santa's reindeer fly and roam
This will guide them to your home.
