COLLEEN'S BABY SHOWER

Before gifts are opened, fill in the blank squares with items you think that Colleen will be receiving as gifts. When Colleen opens the gifts, mark that square...but only if you have it! The HANNAH square is a free square. If you get five in a row (up, down, diagonally), shout "Bingo"! ... You've won!

SAVILE

*Still in the womb and out of our sight
Yet we know that she's growing every day and at night.*

*We listen to progress and what Colleen's going through
We offer our help, anything we can do.*

*When she hears a loud sound and Colleen feels her kick
She tries to explain it, but it is hard to mimic.*

*So we anxiously await for the day to draw near
When at last we'll meet Hannah, so precious and dear.*

*Soon she will know what life's all about
She will laugh, she will play; she will cry, there's no doubt.
We will watch her start crawling and then start to walk
And more excitement will come as she learns how to talk.*

*But for now we must wait, it's all we can do
Until the time comes when we hear her first coo.*

*Baby Hannah is on the way.
Let's start celebrating today!*

*We are glad you are here to share a few hours.
What fun we will have at Colleen's Baby Shower*

Fatal Things to Say If Your Spouse is Pregnant

"I finished the Oreos."
"Not to imply anything, but I don't think the kid weighs forty pounds."
"Y'know, looking at her, you'd never guess that Brittney Spears had a baby...!"
"I sure hope your thighs aren't gonna stay that flabby forever!"
"Well, couldn't they induce labor? The 25th is the Super Bowl."
"Darned if you ain't about five pounds away from a surprise visit from that Richard Simmons fella."
"Whoah! For a minute there, I thought I woke up next to Willard Scott!"
"Are your ankles supposed to look like that?"
"Get your *own* ice cream."
"Geez, you're awfully puffy looking today."
"Got milk?"
"Maybe we should name the baby after my secretary, Tawney."
"You don't have the guts to pull the trigger..."

Babies are Angels that fly to the earth,
their wings disappear at the time of their birth
one look in their eyes and we're never the same
They're part of us now and that part has a name

That part is your heart and a bond that won't sever
our Babies are Angels, we love them forever.

The Price is Right!

New parents have many things to add to their regular shopping lists. Let's help Colleen learn the value of baby products and let's do that by playing The Price is Right.

We will display a baby item. You will then guess the price. Let's see who can come closest to gettin' the correct price without going over. Guess who gets to keep the baby products?
